ART EXHIBIT TO BENEFIT LOCAL CHARITIES

Safe Haven Farms has been selected to be one of the beneficiaries of the Historic Barns of Ohio event hosted at Muhlhauser Barn, West Chester. There will be close to 100 paintings for sale via silent auction. Each bidder will be able to select which organization they want to be the beneficiary if they have the winning bid. For this reason, it's very important for you, our wonderful supporters, to attend the event. Hope to see you on September 29th!
